■ **CHARGER**

You might win the most original gift award with this braided pine needle charger trimmed in nickel (\$85).

■ **TRAY**

Paper may fade, but a wedding invitation's details and date engraved onto a pewter tray will last eternally (\$137).

■ **OYSTER KNIFE**

The shop engraves monograms, including on this sterling oyster knife (\$150).

■ **VASE**

No two of the shop's antique silver vases look the same, making one especially suited to gifting (\$300-\$1,000).

■ **CHARLESTON RICE SPOON**

This elegant Lowcountry spoon doles out the ideal serving of rice (\$50).

■ **WINE COASTER**

Rest or display a special bottle in this English silver-plated piece (\$125).

■ **SALT AND PEPPER SET**

You'll want to allow these good dogs at the table: regal Labrador retrievers made from lead-free pewter (\$51).
