Rooms and Ideas to Make  
HOLIDAY MAGIC

**Good Scents**

Here's proof that good things do come in small packages. "The Ladies' Fragrance Collection" from legendary London perfume purveyor Penhaligon's is a set of miniature bottles of the company's best-selling fragrances, including Artemisia, Vaara, Empressa, Iris Prima, and Halfeti. ([penhaligons.com](http://penhaligons.com))

*Bright delights for those with an eye for things that shimmer and shine*

**Clutch Play**

Up your party persona with the elegant "Vivi" crystal box bag in gold. ([sophiawebster.com](http://sophiawebster.com))

**Shoe In**

Kick up your heels spectacularly in the blue satin "Opal" sandal. ([malonesouliers.com](http://malonesouliers.com))

**Tiny Bubbles**

Elevate holiday cheer—and the home bar—with La Grande Dame champagne ([veuveclique.com](http://veuveclique.com)) and glimmering gold cocktail straws ([themine.com](http://themine.com)).

**Treasure Trove**

Fill the "Beauvais" velvet jewelry box ([aerin.com](http://aerin.com)) with fabulous baubles like the "Goldbug Shining Star" pin ([croghansjewelbox.com](http://croghansjewelbox.com)), the 18K-emerald "Mandala" cuff ([templestclair.com](http://templestclair.com)), and a mother-of-pearl fob and gold chain ([dudleyvandyke.com](http://dudleyvandyke.com)).
