

# FROM THE FIELD

Inspired by the poppy, one of nature's happiest flowers, we've picked a bouquet of colorful tableware, everlasting blooms to wear again and again, and the freshest bunch of design books this season.

## Poetic Posies

“Working on the grounds and bringing the gardens to life has been one of my greatest joys and deepest heartaches. I quickly realized that, while I could have mastery over interiors, nature has her own ideas about how things should go.”
